The background of the image is a solid yellow color. Overlaid on this background are several large, stylized, semi-transparent shapes in a light yellow or cream color. These shapes resemble abstract human figures or organic forms, some with elongated necks and others with more rounded heads. In the center of the image, the word "WHAT" is written in a large, bold, purple, sans-serif font. The letters are thick and blocky, with a slight shadow or outline effect that makes them stand out against the yellow background.
